If you want me to I could hang 'round with you
If I only knew that's what you're into

You and him, him and you
If that's what you're into
Him hanging 'round around you
You're hanging 'round
Yeah you're there too

And if you want me to
I will take off all my clothes for you
I will take off all my clothes for you
If that's what you're into

How 'bout him in the nude?
If that's what you're into
In the nude in front of you
Is that what you'd wanna do?

If it's cool with you
I'll let you get naked too
It could be a dream come true
Providing that's what you are into

Is that what you're into?
Him and you in the nude
That's what he's prepared to do
Is that the kind of thing that you think you might be
into?

And then maybe later
We'll get hot by the refrigerator
In the kitchen next to the pantry
You think that might be what you fancy?

In the buff being rude
Doing stuff with the food
Getting nude with his food
We heard that's what you are into

And then on our next date

Well you could bring your roommate
I don't know if Stu is keen to
But if you want we could double team you

How bout you and two dudes
Him you and Stu in the nude
Being lewd with two dudes with food
Well that's if Stu's into it too

All the things I'd do
Things I'd do for you
If I only knew
That's what you're into

Ooh
