Ooohhh... Ooooh...  
I just wanna, I just wanna  
Just wanna do something special for all the Ladies in  
the World  
Oh yes  
Just wanna do somethin' special  
Ah  
For all the Ladies in the world  
Is that possible?  
And the girls  
Don't forget them girls  
Caribbean (Ladies)  
Parisian (Ladies)  
Bolivian (Ladies)  
Namibian (Ladies)  
Eastern Indochinian (Ladies)  
Republic of Dominican (Ladies)  
Amphibian (Ladies)  
Presbyterian (Ladies)  
Outta sight  
Amazin' ladies  
Late night  
Hard workin' ladies  
Erudite  
Brainy ladies  
Hermaphrodite  
Lady-man-ladies  
Oh you sexy hermaphrodite lady-man-ladies  
With your sexy lady bits  
And your sexy man bits too  
Even you must be in to you ooo ooo  
All the ladies in the world  
I wanna get next to you  
Show you some gratitude  
By makin' love to you it's the least we can do...  
If every soldier in the wo-orld  
Put down his weapon and picked up a woman  
What a peaceful world this world would be-eee...  
Redheads not warheads  
Blondes not bombs  
We're talkin' about brunettes not fighter jets

Oooh Oooh it's got to be Sweet 16's not M-16's  
When will the governments realize it's got to be funky  
sexy ladies?  
I have a vision and all I can see  
Is all of you with 'a all of me  
In a world of peace and harmony  
Where every lady gets a little piece of Bret-y  
I've been to Paris, Wellington and Amsterdam  
And a wham-bam, Merci, Danke, thank 'a you ma'm  
I don't care if you're ugly or you're skanky or you're  
small  
I just wanna do a little something special for y'all...  
All the ladies, in the world, you deserve it, Girrrrrrl...
