It is the future,
The distant future
It is the distant future,
The year 2000

(Jermaine)

We no longer say "yes",
Instead we say affirmative

(Bret)

Yes, affirmative

It could make things better
Can't we talk to the humans that
We're together now?

(Bret)
No, because they are dead

(Jermaine)
Binary solo!

(Bret)

(Jermaine)
