Fashion, fashion, fashion
Style, look

I'm the edge, I'm the chic, I'm the taste
I'm larger than life with just a hint of lace
I'm the vanguard, I'm the air, I'm the vogue
I'm the shi-shi, ooh oui-i, I'm the man a la mode

President Reagan
Thatcher, Thatcher
Jazzercise, lip gloss
Ooh, ooh, ooh

You think you know fashion
Well, fashion's a stranger
You think fashion's your friend
My friend, fashion is danger

Posing, posing at the bar
Posing, posing sitting down
Posing, posing in the distance
Posing, posing with my arm

Posing, posing with my leg
Posing, posing like a swan
Posing, posing for a portrait
Posing a threat

Hey, hey, hey, hey
Hey, yeah, ooh

You think you know fashion
Well, fashion's a stranger
You think fashion's your friend
My friend, fashion is danger

Moscow, Berlin, Paris, London
Tokyo, Wellington, Rome, Geneva
New York City, New York City

You think you know fashion
Well, fashion's a stranger

You think fashion's your friend
My friend, fashion is danger

Fashion, fashion
Fashion, fashion
