Friends sing together, la, la, la, la
Friends do things together, la, la, la, la
Friends laugh together, ha, ha, ha, ha
Friends make graphs together, la, la, la, la

Friends help you when your in danger
Friends are people who are not strangers
Friends help you shift into a new place
Tell you if you've got food on your face

Friends are the ones on whom you can depend
He's my friend he's not my friend
Friends are the ones who are there in the end
He's my friend they're not my friends

If you trip over I'll catch you fall
If you kick my dick I won't break your balls
If you get drunk and vomit on me
I'll make sure you get home safely

If you cross the road and a truck struck you
I'll scrape you up and reconstruct you
I'll cheer you up if your depressed
If you get murdered I'll avenge your death

Friends walk together, la, la, la, la
Pop and lock together, sh, sh, sh, sh
Me and him together, la, la, la, la
Me and Jim forever, uh

Friends go jogging at the track
Friends borrow money never pay it back
Friends do not let friends to crack
Friends go out and grab a snack

Friends drink beer in the sun and like girlfriends
That don't mind if you have more than one
Friends tell you when your fly's undone
Murry your fly's undone

My uncle John had a special friend
They dressed alike his name was Ben

I've never seen two friends like them
They were very, very friendly men

La, la, la, la, friends, friends, friends
La, la, la, la, friends, friends, friends
La, la, la, la, friends, friends, friends
La, la, la, la, friends
La, la, la, la, ping
