Some people say that rappers don't have feelings
We have feelings
We have feelings
Some people say we're not rappers
We're rappers
That hurts our feelings
That hurts our feelings when you say we're not
rappers
Some people say that rappers are invincible
We're vincible
What you are about to hear are true stories
Real experiences
Autobiographical raps
All true
Bring the rhymes

[Jermaine]

I make a meal for my friends
Try to make it delicious
Try to keep it nutritious
Create wonderful dishes
Not one of them thinks about the way I feel
Nobody compliments the meal
I got hurt feelings
I got hurt feelings
I feel like a prize asshole
No one even mentions my casserole
I got hurt feelings
I got hurt feelings
You could've said something nice about my
profiteroles

[Bret]

Here's a little story to bring a tear to your eye
I was shopping for a wet suit to scuba dive
But every suit I tried was too big around the thighs
And the assistant suggested I try a ladies size
I got hurt feelings
I got hurt feelings
I'm not going to wear a ladies wetsuit, I'm a man
I got hurt feelings
I got hurt feelings

Get me a small men's wetsuit, please

[Jermaine]

It's my birthday 2003

Waiting for a call from my family

...They forgot about me

I got hurt feelings

I got hurt feelings

The day after my birthday is not my birthday, Mum

[Bret]

I call my friends to say let's go into town

But they're all too busy to go into town

So I go by myself, I go into town

Then I see all my friends, they're all in town

I got hurt feelings

I got hurt feelings

They're all lined up to see that movie, "Maid in Manhattan"

[Jermaine and Bret]

Have you ever been told that your ass is too big

Have you ever been asked if your hair was a wig

Have you ever been told you're mediocre in bed

Have you ever been told you have a weird shaped head

Has your family ever forgotten you and driven away

Once again, They forgot about J

Were you ever called homo 'cause in school you took drama

Have you ever been told that you look like a llama

Tears of a rapper

Don't want to make a rapper cry then watch what you say

I'm crying tears of a rapper

Pouring like the bullets of my AK

Goldplated tears of a rapper

These are the tears of a rapper now

These are diamond tears of a rapper

These are the bulletproof 24- carat gold tears of a rapper
