Inner city life  
Inner city pressure  
The concrete world is starting to get you  
The city is alive, the city is expanding, living in the city  
can be demanding  
You've pawned everything, everything you own  
Your tooth brush jar and a camera phone  
You don't know where you're going, you cross the  
street  
You don't know why you did, you walk back across the  
street  
Standing in the sitting room totally skint  
And your favorite jersey is covered in lint.  
You want to sit down but you sold your chair  
So you, you just stand there  
You just stand there (you just stand thereeee)

Inner, Inner city, Inner city pressure (Inner city  
pressure)

Counting coins on the counter of the 7-11  
From a quarter past six to a quarter to seven  
The manager, Bevin, starts to abuse me  
Hey man, I just want some Muesli.

Neon signs, hidden messages  
Questions, answer, fetishes  
You know you're not in high finance  
Considering second hand underpants  
Check your mind  
How'd it get so bad?  
What happened to those other underpants you had?

Look in your pockets haven't found a cent yet  
Landlord's on your balls  
Have you paid the rent yet?

Inner, Inner City, Inner City Pressure (Inner city  
pressure)  
Inner, Inner City, Inner City Pressure (Inner city  
pressure)

Pressure  
Pressure

So you think maybe you'll be a prostitute  
Just to pay for your lessons for learning the flute  
Ladies wouldn't pay you very much for this  
Looks like you won't ever be a concert flutist

You don't measure up to the expectation  
When you're unemployed, there's no vacation  
No one cares, no one sympathizes  
You just stay home and play synthesizers

(Inner city pressure)  
Pressure  
Pressure  
(Inner city pressure)

Inner, Inner City, Inner City Pressure (Inner city  
pressure)  
Inner, Inner City, Inner City Pressure (Inner city  
pressure)

What are you searching for, hidden treasure?  
All you'll find is- inner city pressure

You've lost respect like a picture by Escher  
It's the pressure (Inner City Pressure)
