Too many dicks on the dance floor
Too many dicks on the dance floor
Too many dicks

Too many dicks on the dance floor
Too many dicks
Too many dicks on the dance floor
Too many dicks

Going to the party
Sipping on Bacardi
Wanna meet a hottie
But there's Adam, Steve and Marty

There's Billy, Todd and Tommy
They're on leave from the army
The only boobs I'll see tonight
Will be made of origami

Tell the players, make it understood
It ain't no good if there's too much wood
Make sure you know before you go
The dance floor bro-hoe ratio

Five to one is a brodeo
Tell Steve and Mike it's time to go
Wait outside all night to find
Twenty dudes in a conga line

Too many dicks on the dance floor
Easy to fix
Too many dicks on the dance floor
Spread out the dicks

Too many dudes
With too many dicks
Too close to my shit
Too hard to meet chicks

I need better odds
More broads, less rods
I came to do battle

Scadaddle with the cattle prods

Too many men
Too many boys
Too many misters
Not enough sisters

Too much time on
Too many hands
Not enough ladies
Too many mans

Not enough ladies
Too many mans
Not enough ladies
Too many mans
Too many mans
Too many mans

Too many dicks on the dance floor
Too many dicks on the dance floor
Too many dicks

Too many dicks on the dance floor
Too many dicks
Too many dicks on the dance floor

Too many dicks
Too many donges
Too many schlongs
Now sing this song

Too many dicks on the
Too many dicks on the
Dicks on the, dicks on the
Dicks, dicks, dance, dicks, dicks, dicks
Dicks, dicks, dicks on the dance floor

Too many dicks on the dance floor
Too many dicks on the dance floor
Too many dicks

Too many dicks on the dance floor
Too many dicks
Too many dicks on the dance floor
