Dear Mrs. Applebee  
I gotta get something off my chest  
Mrs. Applebee, you got  
The wrong idea about me

Mrs. Applebee  
You told Marie she couldn't go  
With me because you heard  
That I was bad

Mrs. Applebee  
Please hear my plea  
Don't you know that  
Anyone can change

Mrs. Applebee, inform Marie  
I'd even swim the sea

Mrs. Applebee, I'm begging  
You to please be kind  
I want a chance to  
Change your mind about me  
Mrs. Applebee

Dear Mrs. Applebee, I know  
I once made some bad mistakes  
Mrs. Applebee, that was long  
Before I met Marie

Mrs. Applebee, I'll make  
You glad as you can be  
You'll be proud to see Marie with me

Mrs. Applebee, Mrs. Applebee  
Mrs. Applebee...
