Only Margherita love like America

Only Margherita move like the Mardi Gras.

Mama
oh mama
now mama
Come tell me that you wanna
You wanna
oh mama
in my pyjama.

My imagination carry my mind away
Only Margherita feel like a holiday.
Mama
oh mama
now mama

Come tell me that you wanna
You wanna
oh mama
you wild madonna

Mama
oh mama
now mama
Come tell me that you

Felicidad
And I can't help but feeling this way
You're the one who can change my tomorrow toda
Felicidad
Won't you ride on the wings of my fantasy
And this summersong will last a whole life long.
Only Margherita love like America

Only Margherita take me to shangri-la.

Mama
oh mama

Come tell me that you wanna

You wanna
oh mama
you wild madonna

Mama
oh mama
now mama
