(Nightflight to Venus)  
(Nightflight to Venus)  
(Nightflight to Venus)  
Ignition lift off

Nightflight to Venus  
Way out there in space  
Nightflight to Venus  
Our new fav'rite place

Nightflight to Venus  
All systems are go  
Nightflight to Venus  
The sky is aglow

Ladies and Gentlemen  
We've had a successful take-off  
On this first nightflight to Venus  
Our flying time will be 8 hours  
We'll be traveling at a speed of  
2183 miles per second

Nightflight to Venus  
Nightflight to Venus

Captain unidentified object at 8 o'clock  
2 million miles away  
Stand by for emergency maneuver  
Object coming closer at the speed of light  
We have 8 more seconds  
Change course by 4 point 6 degrees  
Order admitted

Ladies and Gentlemen  
In a few minutes we are  
Going to be landing on Venus

Push the button on your left side  
The safety mechanism will do the rest for you

We hope you enjoyed  
The world's first nightflight to Venus  
Have a good time there
