[Intro]

The CMF Boss has a song fo'y'all
C-C-CMF!

[Verse 1]

You say you from CMF? Have we met yet?
You say you A "Crazy Mother Fucker"? If you say so,
But if you don't know what CMF stands fo,
You shouldn't try to joke 'cause you life will be in a
hoax,
We ready for war and we ready to fight,
We ready to take on all you whores, fags and dykes,
We'll take a mothafuckin' knife and stab you through
the thigh,
While we makin you scream "WHY?!" and beg for your
life,
Stab you once, Slash you twice,
While I scream in joy: "DIE MOTHAFUCKA! DIE!"
Recruitin' members since the day we started,
I stay well low-key with my crew, guarded,
We got each others backs so if you fuck with one of us,
We'll fuck with all of you and turn your bones to dust,
Rip you fuckin' cerebellum off and bust yo guts,
I earned your fuckin' trust 'cause I am the boss!

[Chorus: Nate Dogg]

I love it when you niggaz be talkin, sayin my name
Seems like your mouth is not connected to your brain
Two-zero-zero-three, and shit, it ain't the same
Better have a strap my nigga, simple and plain
Put your nuts on the table, my nigga let's play the game
Heard you so long, you be up to get the pain
I don't wanna hear what you meant, do not explain
Right before you lay in your coffin, hoe say my name.

[Verse 2]

Better beleive that we'll fuck you up during beef,
We'll treat you like a theif and make a necklace outta
your teeth,
Bitch please, get down on your knees,
Don't make me squeeze this trigger to pull it through
your liver,

Don't quiver, we'll throw your fucking body down the
shiverin' river,
Your very much bitter, looks like your mama gave up on
you 'cause she's a quitter,
Sammy a.k.a Killa-G would Kill A G
And go on a killin spree to prove to see if he's a CMF
meant to be,
Approved and accepted by the only F.L.I.P,

If you can see in his eyes that he's crazy,
If I Agree he is one, he don't need a BB Gun,
But I guarantee he had fun killin all those mothafuckaz
with a Machine Gun,
Never Would I, put my crew in danger.,
Never Would I, put our lives in danger,
Never Would I, ditch another member,
The death of Roman will keep us all remembered!

[Chorus: Nate Dogg]

I love it when you niggaz be talkin, sayin my name
Seems like your mouth is not connected to your brain
Two-zero-zero-three, and shit, it ain't the same
Better have a strap my nigga, simple and plain
Put your nuts on the table, my nigga let's play the game
Heard you so long, you be up to get the pain
I don't wanna hear what you meant, do not explain
Right before you lay in your coffin, hoe say my name.
