Aiyyo, i'm feelin' gangsta naamean?  
Matta 'fact, I AM gangsta dawg!

I Make guns go \*bang!\*

My gat goes \*bang!\*

As I leave, you know that Flip Shot Ya!

1st offence on me, you get a punch in yo face,  
2nd offence on me, it's my bullet you gon taste,  
You know Flip coming when you see him on the  
highway,  
I'm gangsta dawg, I hold my gun sideways,

Fuck with me once, you should hide right away  
I shotgun you on the chest and you gon fly away  
(shotgun!)

Bitches are mad to me 'cause I make them run after  
me

My soldyaz are bunnies 'cause they have unlimited  
batteries

Y'all groupies should stop buggin me

The reason you mean muggin me is 'cause you starin  
at a real thuggin G!
