[Intro]

I'm feelin' the holidays, ain't no weed holdin' me down,
Merry christmas and a happy new year.

[Chorus]

Happy hizzledays,
Fuck Santa, Flip's gonna give you some Christmas Gifts
Happy Nizzleyear,
Kiss your girl 'cause it's finally 2006.

[Verse]

It's holiday time, smile up, be happy,
Put that weed away and spend time with your family,
It's the time of year where kids put they frown upside
down,
'cause Santa's gonna come, so they won't be upset
now,
Open fireplace, it's all warm,
Outside it's snowing, it's all calm,
While little children outside, make a snowman,
I'm inside heating up that turkey in the oven,
Gotta invite my girl to put up that christmas tree,
Let her put up that star on the top and give her a kiss
on the cheek,
Girl, it's a christmas eve and we under mistletoe,
Shh, don't talk 'cause we under mistletoe.

Just kiss me gently, slowly 'cause u know i love you too,
For christmas i want you, show that you love me too,
Don't be lonely, don't you know me, i'm not your
homey,
I'm your babyboy and your my babygirl who brings me
all the joy,
Your my 1 and only, holy, be my christmas lady,
Your my world baby, we'll make love like in the 80's,
Let's make love infront of the fireplace,
It's the right place for us to spread some love so we
don't gotta wait.

[Chorus]

Happy Hizzledays,
Fuck Santa, Flip's gonna give you some Christmas Gifts

Happy Nizzleyear,
Kiss your girl 'cause it's finally 2006.
