[Chorus]

1 Guy, 1 Girl, 1 Love,  
With a girl like you, I can rise to the top,  
1 Guy, 1 Girl, 1 Love,  
With you by side, I can never be stopped.

[Verse 1]

Last summer, I moved in a new town,  
This city on the map couldn't be found,  
I was too down to meet a few clowns,  
To show me my way around and thank them back  
somehow,  
My bus stop was in front of my house,  
8:30 in the morning was my new time to bounce,  
1st day of school wasn't so bad,  
A few cats talked to me, I was really glad,  
These 2 dudes introduce me to these 2 gals,  
Made a few new pals, the girls were wild,  
On that day we got our schedules,  
That time girl I haven't even met u,  
New faces for me, new names 4 me,  
Girls flirted with me, wanted to know me,  
My name was spreading around the whole schoolyard,  
"Did you see the new kid? Man, he lookin really hot!".

[Chorus]

1 Guy, 1 Girl, 1 Love,  
With a girl like you, I can rise to the top,  
1 Guy, 1 Girl, 1 Love,  
With you by side, I can never be stopped.

[Verse 2]

I'm new in this school and i got on a crush on girl,  
I really wanna know you like no1 else could know you,  
I wanna say "Hi" but I hope you don't laugh,  
I really wanna know you, just gimme a chance.  
No one hating on me, making lots of new friends,

After a few weeks, stuff got intense,  
I finally talked to you and got your phone number,  
But I didn't wanna call you, 'cause I would feel humble,  
Deep down inside I was ur secret lover,

I would go to all my friends and say: "Man, I Love Her!"  
New reputation, I killed my 1st party  
But girl, your friends despise me, they do not like me  
They say that im too good for you,  
But they don't know me as well as you do,  
With you girl, I'd never be rough,  
I wouldn't do anything to ruin our love.

[Chorus]

1 Guy, 1 Girl, 1 Love,  
With a girl like you, I can rise to the top,  
1 Guy, 1 Girl, 1 Love,  
With you by side, I can never be stopped.

[Verse 3]

She's lovely, but he doesn't love me,  
Instead of breakin my heart, she just shoves me,  
I'm the only guy who showed most interest to you,  
You can just tell 'cause it's obviously true,  
I wanna tell her, but i know she'll say no,  
It might be true 'cause all her friends say so,  
With a girl like you i could rise to the top,  
With u by my side, i can never be stopped,

[Chorus]

1 Guy, 1 Girl, 1 Love,  
With a girl like you, I can rise to the top,  
1 Guy, 1 Girl, 1 Love,  
With you by side, I can never be stopped.
