I know that you've been waiting for it
I'm waiting too
In my imagination I'd be all up on you
I know you got that fever for me
Hundred and two
And boy I know I feel the same
My temperature's through the roof

If there's a camera up in here
Then it's gonna leave with me
When I do (I do) (Aight)
If there's a camera up in here
Then I'd best not catch this flick
On YouTube (YouTube) (Nah, don't worry)
'Cause if you run your mouth and brag
About this secret rendezvous
I will hunt you down (Nah, I won't)
'Cause baby I'm up in my bidness
Like a Wendy interview
But this is private
Between you and I (just you and I)

Touch my body
Put me on the floor
Wrestle me around
Play with me some more
Touch my body
Throw me on the bed
I just wanna make you feel
Like you never did.
Touch my body
Let me wrap my thighs
All around your waist
Just a little taste
Touch my body
Know you love my curves
Come on and give me what I deserve
And touch my body.

You do so much to me that the average girl won't do,
That's why I keep comin' back for more, I love what we
do,

Let's make our fantasies reality, I'm ready for another round,
Naughty as you are we always gotta do this loud,
There's no other girl like you that makes me go "Whoa"
You don't have to tell me what you want 'cause I already know,
Let me whisper in your ear as I rub on your thighs
And if you open your eyes, you'll see something rise,
When it comes to sex, you better than my ex,
better than my first, better than my best, gon' be better than my next,
Let me unbutton your blouse while you loosen my belt,
And when we're on the bed, it's time to make each other melt,
I know all the spots in your body that make you scream the loudess,
And you know exactly how to satisfy me, you a goddess
I make your temperature rise higher than the room,
I know how to end and you know how to debut.

Touch my body
Put me on the floor
Wrestle me around
Play with me some more
Touch my body
Throw me on the bed
I just wanna make you feel
Like you never did.
Touch my body
Let me wrap my thighs
All around your waist
Just a little taste
Touch my body
Know you love my curves
Come on and give me what I deserve
And touch my body.

I'ma treat you like a teddy bear
You won't wanna go nowhere
In the lap of luxury
Baby just turn to me
You won't want for nothing boy
I will give you plenty
Touch my body

Touch my body
Put me on the floor
Wrestle me around
Play with me some more
Touch my body

Throw me on the bed
I just wanna make you feel
Like you never did.
Touch my body
Let me wrap my thighs
All around your waist
Just a little taste
Touch my body
Know you love my curves
Come on and give me what I deserve
And touch my body.

Oh yeah oh yeah oh yeah
Oh yeah oh yeah
Oh oh oh oh yeah
Touch my body...
