Hey yo!  
Yo sham!  
Yo sham!!!  
-yo,yo,yo!  
Come here nigga, wassup man?  
-whats the deal, son?  
How you doin man?  
-chillin man  
What you fuckin with that cat over there for?  
-he is my nigga, son.  
Nahah, don't fuck around with that nigga, yo.  
-what you sayin,god?  
I know that nigga--  
-what? I gotta hold it down for my homes, son  
Lemme talk to ya for a second,man, c'mere, c'mere

I been through bullshit, forced to pull shit at the enemy  
If I did it homes, it was the end of me  
Back in the days, i'ma say like around your age  
-what makes you figure that?  
Yo, I used to move the same ways  
Carying guns, sell a nickle chums to bums  
Run away from home, running through the streets with  
a chrome  
-nigga, fuck that, you see I'm livin on my own  
-my life is based on the same place and the same zone  
-thugs call me the don, but never feel my calm  
-at the same time you know it's hard for me to stay on  
Yeah I'm feelin ya, but at I gotta keep it real with ya  
Only when you got dough, niggas wanna be with ya  
They feel ya out, find out about your whereabouts  
Best friends turn enemies, plotting to take you out  
-but it's all good, be'cause they show me love in the  
hood  
-i got this shit locked,don't worry bout it. lemme cross  
ya out

Chorus:

Hey yo, I walk by myself,i die by myself  
'cause ain't nobody gonna help me but my goddamn  
self  
I do for my self,make moves for my self

'cause ain't nobody gonna help me but my goddamn  
self  
I walk by myself,i die by myself  
'cause ain't nobody gonna help me but my goddamn  
self  
I do for my self,make moves for my self  
'cause ain't nobody gonna help me but my goddamn  
self

Verse 2:

You see them cats that you run with, they allways in  
some dumb shit  
I'm tellin you right now, them cats shouldn't fuck with  
-now who the fuck is you? to tell me what to do?  
-tryin to start some real shit, tryin to make me flip on  
my crew  
Go ahead and play hardass! live your life fast  
Tryin to warn you, seem like these streets got you  
gassed  
-i got a problem right now, and I can't maintain  
-i got some big time cat tryin ta split my fame  
-yo, you see me in the street and wanna scream my  
name  
-with some caked up voice, yo I made my chioce  
-tim and his boys foul plans was to leave me moised  
-so I stood up,prayin to God that this ain't my last luck  
  
-yo they got me judged, call tha blue cross cops ran up  
\*freeze!!!\*  
-say please don't move too much, I think my man sat  
me up  
-on a fact(? ) shining to much  
Left you wet up,same muthafuckas used to friend up  
Got you hospitalized, look how you end up  
Hooked up to a respirator, body all bent up  
Your moms callin me at my home,cryin on the phone  
Why the fuck you didn't listen? wouldn't be in this  
position  
You still breathing, a chance to change the way you  
living  
-no more claiming the streets, I got a daughter to raise  
-if I would've listened to you, I would never have got  
blaised  
-now I'm fucked up,laying in this bed cramped up  
-needles in my arm, thinkin how these cats play tough  
-real thoughts in my head,oh how I showed 'em love  
-fuck it, from now on gotta keep my shit real calm  
-plans to move up outta there, and grab my family to  
be gone

Chorus

\*chorus playin in the background while they talks\*
