Now when iâ€™m sick and tired and iâ€™m far away from home

I need to hear your voice on the telephone

Thatâ€™s just what I need to feel at home

No matter how far away I am, how bad I feel

'cause thereâ€™s no greater thrill in my life

Than to hear your sweet voice in my ear, itâ€™s nice

It makes the miles apart not so far

Brings hope to me like a shining star

I get so tired out when I reach over and dial out

And all I get is the stupid machine it says

"iâ€™m not at home right now

If you know what I mean

So if you will leave your name and number

Sometime iâ€™ll give you a call back and if you donâ€™t

I wonâ€™t make time for you no more, jack"

See iâ€™m sick and tired of layinâ€™ alone

I get these cold sweats when iâ€™m far away from home

And if I could just hear your voice one more time

I might have a little inspiration to continue

My life in a way that I can that doesnâ€™t seem

So destructive as I am but itâ€™s ok if I donâ€™t

Get you today, iâ€™ll just listen to your

Answering machine ok fucked up piece of

Shit 30 seconds and iâ€™m cut off

No return calls (once a week)
