Michael

Ooh wah, ooh wah, cool cool kitty,

Tell us about the boy from New York City.

Ooh wah, ooh wah, come on kitty,

Tell us about the boy from New York City.

He's kind of shy, but he's my guy

And I sure do love him, let me tell you why (Why?)

He's so cute, in his birthday suit

And the way he loves me, well, my dears, it's to die!

Oooh wee, you ought to come and see

How sweet he is, my safe sex whiz!

Ooh wah, ooh wah, cool cool kitty,

Tell us about the boy from New York City.

He likes to do what I like to have done (yeah)

And I'm telling you, we know how to have fun

He's so strong and he lasts so long

And when it feels this right you know love can't be wrong

Oooh wee, you oughta come and see

How he Ohhhhhh

and how he... (Yeah)

Every time he says he loves me,

Chills go up and down my spine

And when he puts that condom on

Well, he makes me feel so fine

Ooh wah, ooh wah, cool cool kitty,

Tell us about the boy from New York City.

We agree politically

I think that's important, don't you agree (yes of course we agree)

So, you see, we're just meant to be

We're the essence of compatibility

Oooh wee, you oughta come and see

How lucky a man can be

It's him... and me

Ooh wah, ooh wah, cool cool kitty,

Tell us about the boy from New York City.

Ohhhh, you really oughta meet my boyfriend sometime.

He's so NICE!

I really hate safe sex, but, of course, you have to do it.

And he's very good at it!

(Bop bop badidop, bop bop badidop - a la New York, New York)

Start spreadin' the news (safe sex, safe sex)

Do it!

"Someone has left their car lights on, and it's a black Mercedes,

and we wanna have the house lights up so we can see

this person.

Four of us are looking for husbands. All the straight
men are

nervous
