Aurelio, Jimmy

Nights are long, since you went away  
I think about you, all through the day, my buddy  
My buddy (my buddy)  
Nobody quite so true  
Miss your voice, the touch of your hand,  
Just long to know that you understand, my buddy  
My buddy (my buddy)  
Your buddy misses you  
Your buddy misses you

I'll be seeing you in all the old familiar places  
That this heart of mine embraces all day through  
In that small cafe, the park across the way  
The children's carousel, the chestnut tree, the wishing  
well  
I'll be seeing you in every lovely summer's day  
In everything that's bright and gay  
I'll always think of you that way  
I'll find you in the morning sun  
And when the night is through  
I'll be looking at the moon  
But I'll be seeing you
