As the wake of dark came closer, on my heart seems
so far lorn
We needs desire some laughter, and the light to turn it
on
My despair was run to motion, a face is very true
Shadows in blue
A flash in the night

An the changing of the season, releasing one last
name

As the star was seen forever, dissolving in the rain
And we have the clearing, and leaves on golden skin
On let's it been?
A flash in the night

Buy the sky was ??? with motion face just barely true
Shadows in blue
A flash in the night
Again...
