Strangers in the night
Exchanging glances
Wond'ring in the night
What were the chances
We'd be sharing love
Before the night was through.

Something in your eyes
Was so inviting,
Something in you smile
Was so exciting,
Something in my heart,
Told me I must have you.

Strangers in the night,
Two lonely people

We were strangers in the night
Up to the moment
When we said our first hello.
Little did we know
Love was just a glance away,
A warm embracing dance away and -

Ever since that night
We've been together.
Lovers at first sight,
In love forever.
It turned out so right,
For strangers in the night.
