I met a lot of women on the road,
My pimping is world wide,
And everybody knows, uh,
But something about her,
Makes me wanna slow it,
Spend a little more time ,
I like that she has a mind on her,

I gotta get her,
Won't, stop till I got her,
She focus, she go to school,
She works from ten to two, he-yo,
Cus shawty, Cus Shawty, Cus Shawty's fly,
I can use someone like you by myside,
As long as your a rida,rida, I can lowa you down,
Or provider, vider, baby are you down,
So you should get to know me,
Little Mama,
So tell me , what its gonna be, little mama,

Hoppin on ride, In the passenger side,
I'll show you just how to roll,
Come kick with me tonight eh-yo,
Dont be afraid,
Everything is alright,
Na-na-na-na-na-na-na-no

She wanna come with me,
Little mama wanna rock and see,
What do we have here now,
Now do you ride or die tonight?,

She wanna come with me,

Little mama, wanna run, quick see,
What do we have here now,
Now do you ride or die tonight?
The perfect situation for us both,

Cus shawty you want your ground,
And I'm let cha handle mines boo,
Just tell me whatcha need, and its a go,

I love the fact that chu fine, some movie girl can we can
drive-thru ,
Foot off the pedal, like you and the stilleto, Wanna
make you the one,
Get freaky under the sun, eh-yo,
That body , that body ,that body right,
We can get straight to business everynight,

As long as you a rida, rida, I can lowa you down,
Or provida, vida, Baby are you down? ,
So you should get to know me, Little mama,
So tell me whats it gonna be, Little Mama,

Hoppin on ride, In the passenger side,
I'll show you just how to roll,
Come kick with me tonight eh-yo,
Dont be afraid,
Everything is alright,
Na-na-na-na-na-na-na-na-no

She wanna come with me,
Little mama wanna run quick see,
What do we have here now,
Now do you ride or die tonight?,

She wanna come with me,
Little mama, wanna run, quick see,
