when im in the club imma need me a few of the things
that the bar cant bring,
first theres money, second its me in the v.i.p. full of
guarantees
u gotta be down if im gunna spend the mins (?) on u
u gotta be down if im gunna spend the mins (?) on u
she gotta be down, gotta love, thats me,
she gotta be down, for sure guarantee

be down for the calls, be my misses set it off, she can
add to the po-po-po
had (?) some betsy ross, b-b-back up off the wall,
satisfaction in my cause, saw (?) this action for my
dawgs,
i need passion from these bras, in the club do your
strut guarantee me some love,
i need answers, keep the questions lets agree to some
touch,
run the tab, let me grab, i dont need a paragraph,
dont like talkin on about flossin, all the freaks on my
staff

when im in the club imma need me a few of the things
that the bar cant bring,
first theres money, second its me in the v.i.p. full of
guarantees
u gotta be down if im gunna spend the mins (?) on u
u gotta be down if im gunna spend the mins (?) on u
she gotta be down, gotta love, thats me,
she gotta be down, for sure guarantee

all out all in, ninety-nine point nine percent
girl, u cant be hesitant, love your ex, excellent,
want more x, lets be friends,
unprescribed medicine, thats a problem i dont bother
not even no evidence
i need to know,one, when you gunna go get it done,
two u aint gotta be my boo i got a buggati
i want when im at the bar, exclusive, shorty spit at me,
no mucus, that dont mean ill be your cupid
i aint stupid baby, you can buzz

definatly a dime, right, when with me like flying kite,
only cash, shows and ice,
give flo rida sacrifice, shorty represent the night,
stunting feed the appetite, say the price,
paper tight, blow it like some candle light,
v.i.p. the whole clique, got the moon rock wrapped
around my wrist,
im about to waste, dont trip, like back in the day like 2
legit,
where the love go, to my dub show,
we're on the sexy ghetto, where'd your new patron get
us (?)

when im in the club imma need me a few of the things
