[Verse 1]

Ain't that a damn shame?
Your last thing may change, change
I gotta get to your virgo
Just say your off the chain
Off the room, i know you wanted fame
Houston, we got a problem, man
I can fix this like we're in plan
I still sip crystal, I follow no trends, beyond words,
that's beyond thoughts
I just say it huh, it's my fault, my bad i needa ask
microsoft
Computer love, ya brought and she rockin that - pause
Smell like livin at least i'm not a jinx
Cause I gotta good feeling
Gotta get you girl cause she might got willing
My dream Gurl!

[Chorus]

So, I gotta get ya!
Hey, I can't let you get away from me
I can't let you get away from me
Hey, I gotta get ya
Hey, I can't let you get away from me
I can't let you get away from me
Hey, sing it to me now

Na na na na na na
I can't (I can't) let you get away
Na na na na na na
I can't (I can't) let you get away

[Verse 2]

Oh, Oh Canada, Oh Canada!
I notice my cookies don't crumble
What's up, it's got me on from Toronto
My favourite bond on the stereo

You know it, is fallin
Pop broad, our first day in New York
Pardon, Gees how we shoulda may cause
sad look like shoulda play sports
Deserve double lubba tons I bought
I prayed, ever meet again, to the lord
But then I ran out, just wanna respect
Not a hand down, not one for the jealousy
I'm a man now, eleven seven seven six, that's what I'm
talkin bout,
So random, hit the athem
Don't let it be as spread like cancer, reminiscing red
carpet for the cameras
So famous!

[Chorus]

So I Gotta get ya!
Hey, I can't let you get away from me
I can't let you get away from me
Hey, I gotta get ya
Hey, I can't let you get away from me
I can't let you get away from me
Hey, sing it to me now

Na na na na na na
I can't (I can't) let you get away
Na na na na na na
I can't (I can't) let you get away

[Verse 3]

Girl, your body keeps calling me
I'm feelin you energy
Na na na na na na
I know, I won't forgive myself
if you end up with someone else, yea
Na na na na na na
I just wanna let you know, I'm not gonna let you go (let
you go, let you gooo)

[Chorus 2]

Hey, i can't let you get away from me
I can't let you get away from me
Hey, I gotta get ya

Hey, i can't let you get away from me
I can't let you get away from me
Hey, I gotta get ya

Hey, i can't let you get away from me
I can't let you get away from me
Hey, I gotta get ya

Hey, i can't let you get away from me
I can't let you get away from me
Hey, sing it to me now

Na na na na na na
I can't (I can't) let you get away

Can't let you get away
Can't let you get away
Can't let you get away
