[Intro]

Flo Rida: I need a guarantee

Akon: eh, eh, eh'eh

Flo Rida: Akon are you with me?

Akon: Akon and Flo Rida

Flo Rida: The World is you with me?

[Hook: Akon]

When I'm in the club Imma need me a few of the things
that the bar can't bring.

First it's money, second its me in the VIP full of
guarantees

You gotta be down if I'm gonna spend amends on you

You gotta be down if I'm gonna spend amends on you

She gotta be down, gotta love, that's me,

She gotta be down, for sure guarantee

[Verse 1: Flo Rida]

Be down for the cause, be my misses set it off, she can
add to the po-po-po

had (?) some Betsy Ross, B-B-back up off the wall,

satisfaction in my clause, satisfaction for my dawgs.

I need passion from these broads, in the club do your
strut guarantee me some love,

I need answers, keep the questions lets agree to some
touch,

run the tab, let me grab, I don't need a paragraph,

don't like talkin? on about flossin?, only freaks on my
staff

[Hook: Akon]

When I'm in the club Imma need me a few of the things
that the bar can't bring.

First its money, second its me in the VIP full of
guarantees

You gotta be down if I'm gonna spend amends on you

You gotta be down if I'm gonna spend amends on you

She gotta be down, gotta love, that's me,

She gotta be down, for sure guarantee

[Verse 2: Flo Rida]

All out all in, ninety-nine point nine percent

girl you can't be hesitant, love your ex? excellent,
Want more x? lets be friends,

unprescribed medicine, that's a problem I don't bother
not even no evidence

I need to know, one, when you gonna go get it done
hun, two you ain't gotta be my boo I got a buggati
I want when I'm at the bar, exclusive, shorty spit at me,
no mucus, that don't mean I'll be your cupid
I ain't stupid baby, you can buzz

[Hook: Akon]

When I'm in the club Imma need me a few of the things
that the bar can't bring.

First it's money, second its me in the VIP full of
guarantees

You gotta be down if I'm gonna spend amends on you
You gotta be down if I'm gonna spend amends on you
She gotta be down, gotta love, that's me,
She gotta be down, for sure guarantee

[Verse 3: Flo Rida]

Definitely a dime, right, when with me like flying kite,
only cash, shows and ice,
give Flo Rida sacrifice, shorty represent the night,
stunting feed the appetite, say the price,
paper tight, blow it like some candle light,
VIP the whole clique, got the moon rock wrapped
around my wrist,
I'm about to waste, don't trip, like back in the day like 2
legit,
where the love go, to my dub show,
we're on the sexy ghetto, where'd your new patron get
us

[Hook: Akon]

When I'm in the club Imma need me a few of the things
that the bar can't bring.

First it's money, second its me in the VIP full of
guarantees

You gotta be down if I'm gonna spend amends on you
You gotta be down if I'm gonna spend amends on you
She gotta be down, gotta love, that's me,
She gotta be down, for sure guarantee
