[Flo Rida]

Ain't that a damn shame  
Your last thing may change  
I gotta give it to your Virgo  
Just feel you off the chain  
Off the room, I know he wanted fame Houston we gotta  
a problem man  
I can fix this like we're in plan  
I still sip Crystal, follow no trance beyond verse, that's  
beyond thoughts  
I just say it hoe, that's my fault, my better need the  
Microsoft Computer love, yeah, all that she's rocking  
that  
Smell like living, at least i'm not a jinx  
Cause I got a good feeling,  
Gotta get your girl, cause she might got willing  
My dream girl!

[Ne-Yo - Chorus]

So I got to get ya,  
I can't let you get away from,  
I can't let you get away from me!  
I got to get ya!, I can't let you get away from,  
I can't let you get away from me!  
Sing it with me now,

Na na na na na na,  
I can't, I can't have you get away!  
Na na na na na na,  
I can't, I can't have you get away!  
Na na na na na na

[Flo Rida]

Oh, oh Canada, oh Canada!  
I notice my cookies don't crumble  
What's up is got me on from Toronto  
My favorite but no stereo  
You know it, is falling  
Pop Rocker first day in New York Pardon Jezz said I look

like a...  
Deserve double Louis Vuittons I bought  
I pray that we meet again to get me to the Lord  
But then I ran now, just what I respect  
Not a hand down, not one for the jealousy  
I'mma man now, eleven seven, seven six, is what im  
talk 'bout ...  
So random, you're the anthem,  
Don't let it be, spread like cancer...

[Ne-Yo - Chorus]  
So I got to get ya,  
I can't let you get away from,  
I can't let you get away from me!  
I got to get ya!, I can't let you get away from,  
I can't let you get away from me!  
Sing it with me now,

Na na na na na na,  
I can't, I can't have you get away!  
Na na na na na na,  
I can't, I can't have you get away!  
Na na na na na na

[Flo Rida]  
Girl your body keeps calling me  
I'm feeling your energy  
Na na na na na na,  
Na na I won't forgive myself if you end up with  
someone else  
Na na na na na na,  
I just wanna let you know, Im not gona let you go, let  
you go, let you go

[Ne-Yo]  
I can't let you get away from  
I can't let you get away from me!  
I got to get ya!  
I can't let you get away from  
I can't let you get away from me!  
I got to get ya!  
I can't let you get away from  
I can't let you get away from me!  
I got to get ya!  
I can't let you get away from

Sing it with me now,

Na na na na na na,
