I got 1 sip left on my champagne bottle  
I feel i aint gunna let it waste  
Im gunna add real ghetto  
Im feel i Take it back like red light yellow  
Thats so cosbee  
Mr show ruin flow like cosby  
Sometimes i even wanna ride me  
Put down give me all that brocolli  
Ice on deck just like hockey  
The code 45 dont need a jockey  
Im'a ride out like rain get god sea  
One time from a strong hold posey  
Coz they get paid be the life of the party  
Act aqui,we the end oxy, Goons on my line and they  
ball like shockey  
Thats right ,hold my hands tight, im the ben'z type, we  
stuntin' just like...

Chrous:

Just like when bottles get empty we refill the game  
And keep it pouring, Hey, and keep it pouring  
They know my name in the street coz i dont make it rain  
I keep it pouring,hey, they keep pouring....  
We fallin just like the water, fallin' just like the water  
Flow forever, Ride forever  
We ballin' just like the water, ballin' just like the water  
Flow forever, Ride forever....

Verse 2:

Hey mama this is ya nemo  
Ya boy ya son im willing like neno  
13 weeks with a number 1 single  
Now its Louis thirteen from a bottle of peno'  
MGM gram like i ball at a casino  
Stack my chips all favours a pringos  
In the phillipines full of black phillipino's  
Every hood nigga dream stacking them C notes  
Back to my R.O.O.T.S tada got it from jeans dough  
Before i had the coup'e loosing at bingo  
Now i got loot feel high as surprimo

Just so fly like im high as an eagle  
Why make this , when i make cash  
I rather be dumb coz im pouring a glass  
So much class everything 1st class

When money come fast,they say it wont last and em...

Chrous:

Just like when bottles get empty we refill the game  
And keep it pouring, keep it pouring....  
They know my name in the street coz i dont make it rain  
i keep it pouring, they keep pouring  
We fallin just like the water,(Hey), fallin' just like the  
water  
Flow forever, Ride forever  
We ballin' just like the water,(Hey) ballin' just like the  
water  
Flow forever, Ride forever....

Verse 3:

He he hell They laugh at the boy sold water to a well  
use to ride buckets no water in the pell  
say i wasn't nuttin like the 8 motel  
Just one sun round 7 females  
And i aint special ,at least i know my daddy didnt come  
from a testube  
Ashanti's on the caddy to impress you  
Looking at my valleys bring out the best shoe  
The sunny, im ballin like my water pockets full of  
money  
Im falling for ya daughter when she sore my heartbeat  
She on the first quarter giving me poo-nanny  
Coz thats what it is..  
A nigga buy a whip before i buy him a crib  
My dogs got grips without the barbacue ribs  
Thats how we live been stuntin' for years  
Tell ya peers who they be frontin' but they wet behind  
the ears coz.....

Chrous:

Just like when bottles get empty we refill the game  
And keep it pouring  
They know my name in the street coz i dont make it rain  
i keep it pouring, they keep pouring  
We fallin just like the water, fallin' just like the water  
Flow forever, Ride forever  
We ballin' just like the water, ballin' just like the water  
Flow forever, Ride forever....
