what are you waiting of,  
you should be so alive,  
nothing can... this party,  
go there and kiss the sky like muah!  
don't you love it?  
muah, muah!  
don't you love it?  
muah, muah!  
don't you love it?  
kiss the sky like muah!  
don't you love it?

chorus:  
hey sexy girl,  
don't you love it?  
put your drink up high,  
we gonna go all night,  
don't you love it?  
hey kiss the sky!  
don't you love it?

...i wanna go home,  
i see you coming you're the sexy type,  
girl, i don't wanna live along, don't wanna live along!  
ready for another thing, you must stay here,

take it to the level we can all say cheers,...  
celebrate the love here...  
money is the subject, girl i got the bills.  
we can celebrate it properly,  
what is there to feel?  
put your hands up high, you gotta feel fly,  
it's all worth the try, we run another time like...

what are you waiting of,  
you should be so alive,  
nothing can... this party,  
go there and kiss the sky like muah!  
don't you love it?  
muah, muah!  
kiss the sky like muah!  
don't you love it?

chorus: (x2)  
hey sexy girl,  
don't you love it?  
put your drink up high,  
we gonna go all night,  
don't you love it?  
hey kiss the sky!  
don't you love it?
