You and me
(Just you and me)
Just me and you
You and me
(Just you and me)
Emotions

Emotions I feel
(These are the emotions I feel)
Emotions are real
(I know that emotions are real)

'Cause you are my love
(You are my love, you are my love baby, you are my
love)
(I got emotions, you got emotions)
Emotions

We need to be together, he ain't gon buy you nothin'
better
I don't wanna depress ya, I don't mess with them
heffers
Baby, you under pressure, all of them Italian leathers
All them gifts on the regular, brand new Phantom
umbrella

You wrong girl, we even got matchin' perfume and
cologne girl
Ain't no other nigga gon be touchin' your thong girl
You mine, ain't no denyin'
Even witness me cryin', take some time to rewind

This bullshit, two human beings in love
Nah, it ain't like this, see you makin' me cuss
Damn right I'm pissed, it was supposed to be us
This is ridiculous 'cause it was supposed to be us

Just you and me
(Just you and me)
Just me and you
(Just me and you)
Just you and me

(You and me, I can't let it go)

Emotions I feel
(These are the emotions I feel)
Emotions are real
(I know that emotions are real)

'Cause you are my love
(You are my love, you are my love baby, you are my
love)
(I got emotions, you got emotions)
Emotions

I got your name tattooed
You think that's enough for make me to go nuts like
cashews
Not my soul like we be callin' black fool
I mean devil knows you proly fucked another dude

I gave you that rose, that ring when I proposed to you
Got rid of my gold teeth 'cause your mama nail, oops
And shot at them fools who touch your brother, now
boo
And now you gon' tell me we should slow it down, who?

Not Flo Rida, I provide the Campbell soup
We'll sit by the dock, I spoon fed you Theraflu
You gotsa to be hot, women, I ain't 'bout to lose
Get out this house, I pay tuition on your school
I mean to my knowledge until the end it's me and you

You and me
(Just you and me)
Just me and you
(Just me and you)
Just you and me
(You and me, I can't let it go)

Emotions I feel
(These are the emotions I feel)
Emotions are real
(I know that emotions are real)

'Cause you are my love
(You are my love, you are my love baby, you are my
love)
(I got emotions, you got emotions)
Emotions

I don't care what those other people say, I don't care
They don't understand w-w-why I feel this way

Baby, baby I don't care what those other people say, I
don't care
They don't understand emotions

Just you and me
(Just you and me)
Just me and you
(Just me and you)
Just you and me
(You and me, I can't let it go)

Emotions I feel
(Emotions I feel)
Emotions are real
'Cause you are my love
Emotions
You and me
