I ain't got no money
I ain't got no car to take you on a date
I can't even buy you flowers
But together we can be the perfect soulmates
Talk to me girl

Oh, baby, it's alright now, you ain't gotta flaunt for me
If we go there, you can still touch my love, it's free
We can work without the perks just you and me
Thug it out 'til we get it right

Susanna yeah yeah,
Susanna, Susanna

Someone look on and the world never changing
Here I am stop where you stand
What you need is love, a man to take over
Oh girl, don't look in other

Stay (never gonna give, never gonna give) in the... of
the chances,
And we (never gonna give, never gonna give) all it be
in the state of mind
Too good to be guess (never gonna give, never gonna
give) looking for the right thing
Oh baby (never gonna give, never gonna give) I'm
looking in a...

2 x
Baby if you strip, you can get a tip
'Cause I like you just the way you are
I'm about to strip and I want it quick
Can you handle me the way I'm are?
I don't need the cheese or the car keys
Boy I like you just the way you are
Let me see ya strip, you can get a tip
'Cause I like you just the way you are

Yeah yeah break me off, show me what you got
If I get up no woman in the club
Break me off, show me what you got

If I get up no woman in the club
Break me off, show me what you got
If I get up no woman in the club
Break me off, show me what you got
If I get up no woman in the club

Someone look on, someone look on
And the world never changing
Here I am stop where you stand
Don't ever look what you need is love
A man to take over
Oh girl, don't look in other other

Tonight I'ma give it to you, with to you
I want you to come in purpose
Honey you'll go on on and on
Boy you spend a long time, quick a long time
And I don't want another man, let's thrill

Break me off, show me what you got
'Cause I don't no...
Break me off, show me what you got
'Cause I don't no...
Break me off, show me what you got
'Cause I don't no...
Break me off, show me what you got
'Cause I don't no...
