du,di,da,dum,da,da,da,da,du,di,da,dum,da,da,da

[Chorus]

up up down down left left right
im gone puzzle you tonight
how you gonna flip me boo
anyway you want me too
baby let me
baby play me
come control me
anyway you want me too

[Verse 1]

uh huh she want that acrobatic flow i be given women
heard all about that magic on the pole
if she strippin or tippin
that pattern ive seen it before
so im used to em flippin
palate all around the clock,tik tok
hands on experience
be my new experiment
we could build the pyramids
bodies touching period
my seduction brilliant
no question you feeling it
good love and im giving it
she twitter it
i gotta sang it

[Chorus]

up up down down left left right
im gone puzzle you tonight
how you gonna flip me boo
anyway you want me too
baby let me
baby play me
come control me
anyway you want me too

[Verse 2]

i say anything is possible

i always keep my pocket fulls
trampolineing girl just bring it
dont wanna miss this obstacle
up and down its logical
my left right is unstoppable
all i wanna talk like im writing a book
if you read my mind then you riding in the hood
im gonna get you in some real trouble
that chick is my real hussle
my buidness to feel bubbles
that chick is brazil level
i witness the real puzzles
my goodness im seeing double
show me that booty go

[Chorus]

up up down down left left right
im gone puzzle you tonight
how you gonna flip me boo
anyway you want me too
baby let me
baby play me
come control me
anyway you want me too

[Bridge]

up,up,down,down,dowwwn
how you gonna
flip me boo
anyway you, anyway you, anyway you,
anyway you want me to

[Chorus]

up up down down left left right
im gone puzzle you tonight
how you gonna flip me boo
anyway you want me too
baby let me
baby play me
come control me
anyway you want me too
