[Chorus]

(Flo Rida)

You spin my head right 'round, right 'round
When you go down, when you go down down
(Ke\$ha)
You spin my head right 'round, right 'round
When you go down, when you go down down

(Verse 1 - Flo Rida)

Hey
Hopped out of that house with my swagger
Hop in that with girl, I got places to go!
People to see, time is precious
I look at my crowd and they out of control
Just like my mind where I'm going
No women, no shorties, no nothin' but clothes
No stoppin' now, my Pirelli's on Vogues
I like my jewelry, that's always on gold
I know the storm is comin'
My pockets keep tellin' me it's gonna shower
Call up my homies that's home
Then pop in the night cuz it's meant to be ours
We keep a fade away shot cuz we ballin'
It's platinum Patron that be ours
Lil' mama, I owe you just like the flowers
Girl you to drink with all that good and power

[Chorus]

(Flo Rida)

You spin my head right 'round, right 'round
When you go down, when you go down down
(Ke\$ha)
You spin my head right 'round, right 'round
When you go down, when you go down down

(Bridge - Flo Rida)

From the top of the pole I watched her go down
She got me throwin' my money around
Ain't nothin' more beautiful to be found
It's goin' down down.
From the top of the pole I watched her go down
She got me throwin' my money around

Ain't nothin' more beautiful to be found
It's goin' down down

(Verse 2 - Flo Rida)

Hey
Shawty must know I'm not playin'
My money love her like a numba one fan
Don't look at my mouth, let her talk to my fans
My Benjamin Franklins
A couple of grands, I got rubber bands
My paper planes makin' her dance
Get dirty all night, that's part of my thing
Keep buildin' castles that's made out of sand
She's amazin', the fire blazin'

Hotter than
Girl won't you move a lil' closer?
Time to get paid, it's maximum wage
That body belong on a poster
I'm in a daze, that bottom is wavin' at me
Like damn it I know you
You wanna show like a gun out of holster
Tell me whatever and I'll be your Roper ..

[Chorus]

(Flo Rida)

You spin my head right 'round, right 'round
When you go down, when you go down down
(Ke\$ha)
You spin my head right 'round, right 'round
When you go down, when you go down down

(Bridge - Flo Rida)

From the top of the pole I watched her go down
She got me throwin' my money around
Ain't nothin' more beautiful to be found
It's goin' down down
From the top of the pole I watched her go down
She got me throwin' my money around
Ain't nothin' more beautiful to be found
It's goin' down down

(Verse 3 - Flo Rida)

I'm feelin' my money
I'm out of control
Somebody help me
She takin' my bank roll.
But I'm king of the club
And I'm wearin' the crown
Poppin' these bottles
Touchin' these models

Watchin' they asses go down down

[Chorus]

(Flo Rida)

You spin my head right 'round, right 'round
When you go down, when you go down down
(Ke\$ha)

You spin my head right 'round, right 'round
When you go down, when you go down down
(Flo Rida)

You spin my head right 'round, right 'round
When you go down, when you go down down
(Ke\$ha)

You spin my head right 'round, right 'round
When you go down, when you go down down
When you go down, when you go down down
