[Flo Rida]

You might not wanna jog on this one
Get head away for the summer
You already hot, I'm already hot
No sweat, no under armor
Louis this fight, or the big night
Holla back, if you need a spazer
Yeah, aight, the mr all right
Come around, with a few more karmas
Come here girl, do what I gotta talk rospetta
See me with lil' mama, kinda make you jealous
Yeah be a honor, gotta say you special
Beat her like a drama girl, you better be careful
Comprende, what's a bit late
Like fred rick I'll be jet lagged
Calling on you this moment, this instant
What I do is just basic instinct

You see me all over her, you want me all over you
Soon as I get rid of her, tell me what you gonna do

[T-Pain - Hook]

Somebody gon' get it, oh oh oh
Somebody gon' get it in the morning
Somebody gon' get it, oh oh oh
Somebody gon' get it in the morning
Somebody gon' get it

[Flo Rida]

Head start, you got that shorty
On your marks, til the show get started
Can you level on the rocks bacardi
Relay cause they're at the party
Pass the bottles, level up get naughty
Full speed, hurry up put your body
Track me thick cause ferrari
Meet a freak, build cause I'm sorry

You ain't get the memo, BMA get low
See the finish the line, looking like like a limbo
Yeah we going we in, no night like tempo
There's another bad chick make light most simple

Mr brenda, no beginner, first place, tryna make you
winner
Yeah baby, my brenda, I'll be waiting in the spot
descender

You see me all over her, you want me all over you
Soon as I get rid of her, tell me what you gonna do

[T-Pain - Hook]

Somebody gon' get it, oh oh oh
Somebody gon' get it in the morning
Somebody gon' get it, oh oh oh
Somebody gon' get it in the morning
Somebody gon' get it

[LMFAO]

We in the spot, the club is hot
And if you wanna party rock, say hell yeah
Non stop, the bottle's popped,
And if you want another short, say hell yeah
I'm gonna run to you so you can have a little bit of fun
with foo
I know what you wanna do when I wiggle wiggle wiggle
in my underoos
Got you wet, dripping like SoCo
Never should've let you bounce on my pogo
Now you wanna be my Yoko Ono
So you roll stop like you don't know
I'm running through these zones like dreno
But I keep it low pro, cause she's my main-oh
I got your tickets, they're on bandaigo
Back room, no fro, I'll be eating a mango

[T-Pain - Hook]

Somebody gon' get it, oh oh oh
Somebody gon' get it in the morning
Somebody gon' get it, oh oh oh
Somebody gon' get it in the morning
Somebody gon' get it
