She got me going damn damn oh yeah

Looking so god damn good
Girl I know you got something to say
Say
You've been lookin for the right dude
Now you want anything that comes your way
Way
Never have another dude
Admire your smile
Admire your looks
Admire your place
Look around you
They be shakin your head
Along when it's over

They say by the end of the song
Ooh Ooh
I'm lookin for you to take home
Ooh Ooh
I swear that girl I talked to earlier
I aint tryin to worry her
But I aint found another one better

I'm shakin my head
Hey Hey
And all these fly girls
It's like
Hey Hey Hey
And they gonna need someone
So hot hot hot
Tight jeans and bodies like
Hey Hey Oh Yeah
Got me shakin my head

Hey Hey
And all these fly girls
It's like
Hey Hey Hey
And they gonna need someone
So hot hot hot

With tight jeans and bodies like
Hey Hey Oh Yeah
Got me shakin my head

I need to rock out
I don't see cops out
No stoppin me Uh
And I'm shakin my head
While I'm catchin that girl
That had too much to drink Yeah
And I love them chicks
To talk a lot of shit
Got the hands in the air
And the mouth wide open
She's so right
Booty lookin so tight
While I'm shakin my head
She rockin that shit like

They say by the end of the song
Ooh Ooh
I'm lookin for you to take home

Ooh Ooh
I swear that girl I talked to earlier
I aint tryin to worry her
But I aint found another one better

I'm shakin my head
Hey Hey
And all these fly girls
It's like
Hey Hey Hey
And they gonna need someone
So hot hot hot
Tight jeans and bodies like
Hey Hey Oh Yeah
Got me shakin my head

Hey Hey
And all these fly girls
It's like
Hey Hey Hey
And they gonna need someone
So hot hot hot
With tight jeans and bodies like
Hey Hey Oh Yeah
Got me shakin my head

Hey shawty said u really got it going on
With a body like that

I can really get a touch
How you movin
You can do no wrong
Say lil momma that bad
Takin off my Gucci hat
So we're shaking and droppin to the song
Got swag, but the stacks imma throw a holla back
Here we're grooving gonna catch a heart attack
Matter of fact

I'm shakin my head
Hey Hey
And all these fly girls
It's like
Hey Hey Hey
And they gonna need someone
So hot hot hot
Tight jeans and bodies like
Hey Hey Oh Yeah
Got me shakin my head

Hey Hey
And all these fly girls
It's like
Hey Hey Hey
And they gonna need someone
So hot hot hot
Tight jeans and bodies like
Hey Hey Oh Yeah
Got me shakin my head

Yeah so hot lil momma, oh fuck
You can't put her out like this (x3)
