She's That girl (yeah), who dances everywhere  
Like I don't care, She's so excited  
And I'm that guy, that loves the women - girl can be  
herself  
Its so exciting

Now she don't worry bout what people think bout her  
cause she fly  
When everbody on the floor goes left and then she  
goes right  
And i think that its possible for the beat, dance it all  
night  
All night long

She don't know how to uhhh, she dont know how to act,  
no x3  
She goin crazy, she, she goin crazy on the floor

She's that girl, who wants to dance with me  
And i'm that guy, to let her do it  
And her friend, is at the life she spent to be herself  
Thats not exciting

Now she don't worry bout what people think bout her  
cause she fly  
When everbody on the floor goes left and then she  
goes right  
And i think that its possible for the beat, dance it all  
night  
All night long

She don't know how to uhhh, she dont know how to act,  
no x3  
She goin crazy, she, she goin crazy on the floor  
Floor...

she goin crazy she, she goin crazy on the floor

Got a ??? boy shorts, and long boy socks  
she's having fun  
she didn't do it for people to watch

she's number one  
And her mind in the club, she didn't come for love  
she came to party, party, she came to party, party  
C'mon

Now she don't worry bout what people think bout her  
cause she fly  
When everbody on the floor goes left and then she  
goes right  
Now i think that its possible for the beat, dance it all  
night  
All night long

She don't know how to uhhh, she dont know how to act,  
no x3  
She goin crazy, she, she goin crazy on the floor  
Floor...  
she, she goin crazy on the floor

She don't know how to uhhh, she dont know how to act,  
no x3  
She goin crazy, she, she goin crazy
