Sugar

Hey, I've got a mouth full of cavities
Sweet tooth, full of mama, like sugar to me
So my love with the lips, put a bug in the ear tone
Shawty gotta kiss, it's an emergency

Spit sprung for the taste, addicted to her gloss
One smile this way, baby, I rub it off
Put my tongue in your face
A little mistletoe, sippin' Gran Marnier, I'm a fan all day

Do me that favor, 'cause I like your flavor
My manage behavior; I'm into your major
Sweeter so flavor, that's good for this player
My hood, now and later, throw back like a pager

Pretty much, you're givin' me a sugar rush
Lil' mama, give me high blood pressure when you
blush
Lips feel soft as a feather when we touch
Shawty, that's what's up

My lips like sugar, my lips like sugar
This candy got you sprung, this candy got you sprung

So call me your sugar, so call me your sugar
You love you some, you love you some

(I'm sweet like)
Da, double dee, double di

Sugar

Hey, shawty would you mind, 'cause I want me some?

Now and later, I don't wanna have to wait, you the one
Yep, yep you're vicious, so, so delicious
Can't help my interest, candy addiction

Wanna peace, to a piece gotta get a piece
I don't know a piece, give me all your sweets
Bottom and top lip, 'bout to have a sugar feast
Level with our trip, I'm a lip bitin' beast

Man, for them things, all 42 teeth
Squeeze the sugar cane on your mouth, must beat
Ain't your mama slirp, stickin', usin' my tree
Like taffy but classy, get at me

I'm flyly, let you know I wanna kiss
But your lips, they'll do me fine
Now baby, don't trip with the juicy kind
Get, get on the grip, girl, you ain't lyin'

My lips like sugar, my lips like sugar
This candy got you sprung, this candy got you sprung
So call me your sugar, so call me your sugar
You love you some, you love you some

(I'm sweet like)

Like my candy, my candy, you so sweet, so sweet
I got a good appetite with you on me, on me
I'll wrap you out of them clothes, you my treat, my treat

Girl, you my sugar, I call you candy
And tonight I'm gonna get me some, get me some
Girl, you my sugar, I call you candy
And tonight I'm gonna get me some, get me some
