Not wasting my time, she gotta be Zoosk
Walkin and talkin, they know she the truth
All the way down with the freak attitude
Breakin you loose when she walk in the room
Sweet than you like you ainÂ't got a clue
If I forgive her, sheÂ's sweeter perscue
What are you doing with body on you
Lil mama ainÂ't sure, but sheÂ's hotter than June

I gotta have her no way can I rest
Wake up my people, want only the best
Never no tease, and want to impress
Baby need help to get rid of my stress
Bounce off her clothes, and off with that dress
Only one go, letÂ's show her the best
Shorty the flyer, chicken can dance
She gotta be Zoosk, and nothing less

From the night until the morning
I get up and I come up

Because I give it to my lady
anyway she want it
Licky up and Licky down
