### "Feelings"

Visit "[Feelings](#)" on [MotoLyrics.com](http://MotoLyrics.com)

This is about love, freedom (feelings)  
Aloneness, understanding  
It's about being responsible, mature

I'm emotional, Your emotional  
Could be why we always argue our  
Conversations short we can't talk enough  
It's just become much to difficult  
I Don't know what to do  
I Don't know what to prove  
This is more than me  
And so much more than you  
Can we make it through said you and I  
Can't decide

[Chorus]  
I just can't decide  
If it's you I want  
I don't want to choose between having you in my life  
Or losing you for real because I caught feelings  
(Are we falling in love with our fears)  
Feelings  
Because I caught feelings (yeah)  
Cause you're acting like we're really here, we're not  
here  
Caught feelings  
(I'm not afraid of the pain)

I'm a stubborn girl  
Your a stubborn guy  
Could be why we fight all the time  
If It's not your way  
Then It must be mine  
Can't communicate  
Can't even compromise  
I Don't know what to do  
I Don't know what to prove  
This is more than me  
And so much more than you  
Can we make it through  
You and I

I can't decide

[Chorus]

I just can't decide (I can't decide)  
If it's you I trust (trust babe)  
Don't want to choose between (choose between)  
Having you in my life (my life)  
Or telling you goodbye  
Because I caught feelings (feelings)  
Feelings (yeah)  
Because I caught feelings  
Feelings Oh

(Are you really here  
I know how you feel  
It's almost unreal, right  
It makes you feel short of breath  
You feel weak  
I must look like... an enemy to you  
It's cool  
We have to die a lil bit you know)

Ohhh Can't pretend  
That your just a friend  
You took It further  
Passion still remains  
Here we are again  
Because we caught feelings  
Feelings

(We're so dramatic, romantic  
The experience for all of us  
Whether it's up or down  
I'm not afraid)

Because we caught feelings  
Feelings  
Because we caught feelings  
Because we caught feelings  
I can't even believe we're here  
After all we've been through
