"I don't want to be mean, I don't want to be cruel
But sometimes I feel I've got to drink 'till I drool
And take all the weight of world from my shoulders,
and put it on you

I don't want to break free, I don't want to head south
But I hear destiny calling and it's using my mouth
To shake off the weight of the world from my
shoulders,
and lay it on you

Oh, so I'm packing my bags and I'm heading down to
Hollywood
Yeah, I'm taking my things and I'm leaving today for
Hollywood

I'm deep in my time and I've shallowed my wit
And I thank you for listening to my latest hit
And I kneel and I pray everyday to my TV to tell me
what's true

Oh, I'm nauseated by nice, I'd like to be kind
But I'm starting to feel like I'm loosing my mind
I'm surrounded by plastic and sunshine
And it's just too good to be true

Yeah, so I'm packing my bags and I'm heading down to
Hollywood
Yeah, I'm taking my things and I'm headed down south
for Hollywood

Oh!
Uh-huh!

I can hear my destiny calling me to Hollywood
Oh, you're ready or not 'cause we're all going to
Hollywood
Yeah, you're going to love all the looks that you'll be
getting in Hollywood
Go ahead and leave all books, you won't need any in
Hollywood"
