### "Iraq"

Imagine

Rewind

Analyze quotations

I'd rally all quarters

Increase resistance

anticipation

Question intelligence rarely actionable

Quiz international relatives

Applicable quips interrupt radio accounts

Quiet

Initiate rounds

All qualified innocents report

Activate quickly increase rewards

Astonishing quantities, immediate resources

(Affordable quality insurance)

Rapid assurances

Queries into relevance

Audiences quelled into red-bloodedness

Antiwar quibblings irk rowdy Americans quintessential

ignorance

Rinsed airwaves

Que incredible

Right-wing allegiance

Cue

it's really a quagmire

It rages

Annually

Quarterly

Innocents ricocheted

Accordingly queasiness infiltrates

Reforming attitudes

Quite interesting

Reactors absent

Quarantineidiotic reckless authorities  
Quorum is reached  
And quest isn't really accomplished

Quadrennial intentions? Run, abscond quick

In response a quixotic insistence  
Resolving all quandaries in ridiculousness  
And quid pro quo influx reservists  
Assignment: quash insurgents

Resurgence  
Activists, Quakers instigate rallies  
Advocating quitting instantly

Representatives apprehensive  
quiescence ineffectual

Refugee accrual  
Quicksand invites removal  
Amputees quadruple

Infidels resuscitate Al Qaeda
