Butterflies inside you give me butterflies inside X3

verse 1:

all u gotta do is just walk away and pass me by
dont agnologue my smile yea when i try to say hello to
you

and all u gotta do is not answer my calls when im tryna
get through

to keep me wondering why and all i can do is sigh i just
wanna ohh ...

chorus

I just want to touch and kiss
and i wish that i could be with you tonight

you give me butterflies inside
inside and I....

verse 2

all i gotta say is i must be dreaming
cant be real

your not here with me
i can feel u near to me

so i carress you let u taste us
just so blissful listen i would give anything make my
dream come true baby you give me butterflies

chorus X2

bridge:

if you will take my hand babyi will show you guide you
to the light babe

if u will be my love baby i will love u
love u till the end of time

chorus X3
