This is about being grown  
(Feelings)  
Being mature  
(Yeah)  
Being brave  
Can you be brave?  
(Feelings)  
Listen

I'm emotional, you're emotional  
Could be why we always argue our  
Conversations short, we can't open up  
It's just become much too difficult

I don't know what to do, don't know what to prove  
This is more than me, so much more than you  
Can we make it through?  
So you and I, I can't decide  
(I can't decide)

I just can't decide  
(I see you)  
If it's you I want  
Don't wanna choose between  
(Real)  
Having you in my life  
(Do I have you)  
Or losing you for real

Because I caught feelings  
(Are we falling in love with our fears?)  
Feelings, because I caught feelings yeah  
(?Cause we're acting like we're here)  
Feelings  
(We're not really here)  
Caught feelings, feelings  
(I'm not afraid of the pain)

I'm a stubborn girl, you're a stubborn guy  
Could be why we fight all the time  
If it's not your way then it must be mine  
Can't communicate, can't even compromise

I don't know what to do, don't know what to prove  
This is more than me, so much more than you

(This is more than us)  
Can we make it through? You and I, I can't decide, no

I just can't decide  
(I can't decide)  
If it's you I trust  
(It's you I trust)  
Don't wanna choose between  
Having you in my life  
(I thought I have you)  
Or telling you goodbye

Because I caught feelings  
(I know how you feel)  
Feelings, because I caught feelings  
(It's almost unreal)  
Feelings, because I caught feelings yeah  
(You're short of breath)  
Feelings  
(It's like you've been wounded)  
(I must look like an enemy to you, it's cool)  
Feelings

We have to die a little bit you know  
We're so dramatic, romantic  
I love experiencing you

I just can't pretend  
(I can't pretend)  
That you're just a friend, we took it further  
(And you're more, so much more)  
Passion still remains so here we are again

Because we caught feelings  
(I feel you)  
Feelings, because we caught feelings dear  
(I'm connected to you)  
(So what do you wanna do?)  
Feelings, because we caught feelings  
(What do you wanna do?)  
Feelings  
(We can help each other)

I can't even believe we're here  
After all we've been through
