He had (ooh) this voice and his (ooh) complextion and

I felt them before i ever touched him

Your beautiful u got me singin shades of amazing rain
Plain and simply
You got me lovin everything about u (thing bout u)
First sight and im dazed im goin crazy constantly

Jus to say hello; How r u; wha u up to;

You crazy; foreal though;
can i...let u kno

hello; How r u; wha u up to;
nothin; im cool; shes fine; alright; thats true;
Who me; not u;

Can i let u kno...can i let u kno
Can i let u kno...can i let u kno

Can i let u kno...can i let u kno

You know your existence
has kinda been recognized by the resistance to dream
Eventually becoming a way of life to me
Enough to keep contemptment
through waking hours to courting shades
in those early days
math was exchanged
i kinda had to build up the courage to jus say
Hey...hello...remember me (hello) i jus felt...jus to say
How r u..how r u babe hello
how r u babe how r u babe hello
How r u babe how r u babe hello
How r u babe how r u babe hello
How r u babe how r u babe helloooooo
