[INTRO (Talking)]

Sometimes blindness finds me  
and leads me through ignorance  
not allowing us to gain experience  
so we become lifeless  
At other times I cover with  
self pity or work aimlessly through reality so  
Occasionally I choose to travel alone  
but never fulfil my possibility so  
mostly I attempt to achieve balance  
by seeking right knowledge and loving  
and reviewing and eventually overstanding those  
many lessons of my life

[VERSE 1]

You got me caught in a stormy odd world that drains  
and I beg to see truth and promises you made to me  
now we've come so far but my visions of happiness  
with you in my life I'm afraid and confused  
If I was a bird I'd fly

[CHORUS]

If I was a bird I'd fly away  
spread my wings so I'd escape  
If I was the sky  
I'd let it rain to wash away the pain

If I was a bird I'd fly away  
spread my wings so I'd escape  
If I was the sky  
I'd let it rain to wash away the pain

[VERSE 2]

Now why do I feel so alone  
knowing I know I have you  
and what made you turn around on me  
what did I do  
and when did love feel this way  
so much pain and misery  
where's the you I once knew  
and could ya fly with me

[REPEAT CHORUS (x2)]

Now I can't stay  
you won't need me  
set me free and let me fly  
oh fly with me  
fly with me me  
fly with me yeah  
fly oh fly fly

[REPEAT CHORUS (x2)]

Fly away  
(music)  
If I were the sky  
I'd let it rain to wash the pain  
(music)  
Fly away
