"In Your Eyes"

Ooh I think I fell for you,
From the day that you arrived,
Into my life. I believe its true,
When I look into your eyes.
I see, love in your eyes,
I see, love in your eyes.
I see, love.

Holding hands, making plans,
Into our future.
Together, spending time, living life,
So happy.
Together, on that day I saw your face,
Remember, I wanna,
Tell you so how much you have affected me.
I feel for sure, that its you I've waited for.

Ooh I think I fell for you,
From the day that you arrived,
Into my life. I believe its true,
When I look into your eyes.
I see, love in your eyes,
I see, love in your eyes.
I see, love.

Ooh kisses, missin you when you're away,
I've played this over in my head,
And it is meant to be,
If you see what I do,
Maybe we can try to,
Live out our destiny.
And maybe if we meet again,
We'll see again that its love.

Ooh I think I fell for you,
From the day that you arrived,
Into my life. I believe its true,
When I look into your eyes.
I see, love in your eyes,
I see, love in your eyes.

I see, love,

Dreams and wishes coming true for you and I,
The sadness that we feel when we say goodbye.
Maybe disagree sometimes,
Oh, such a beautiful compromise,
Oooh, I can't deny.

Ooh I think I fell for you,
From the day that you arrived,
Into my life. I believe its true,
When I look into your eyes.
I see, love in your eyes,
I see, love in your eyes.
I see, love in your eyes.
In your eyes.

I see how things really are,
Above the clouds, amongst the stars,
Love in your eyes,
I see, love in your eyes.
I see, love in your eyes.
I see me in your eyes.
Somethings got my hypnotized, (its you)
You help me stand tall,
And sit still with my heartbeat.
You give me focus,
You help me contain,
You help me maintain,
You help me stay sane.
Something about you got me humming your name.
See your my meditation,
With you baby, I can ???.

Ooh I think I fell for you,
From the day that you arrived,
Into my life. I believe its true,
When I look into your eyes.
I see, love in your eyes,
I see, love in your eyes.
I see, love in your eyes.
In your eyes.
We walk hand in hand,
Above the clouds, amongst the stars.
I love you.
Love in your eyes,
I see love in your eyes,
I see love in your eyes.
In your eyes.
