Mr. Messed Up I should have known ya
Yes, you guessed it oh la it's over

Time was right, the vibe was right
Ready to get into you all night
I wasn't really into puttin' up a fight
I let you do your thing and your thing was tight

Funny as it seems, I had a ball with you
Wanted to eventually step all with you
But I'm caught up in the middle of the desert sea
But still I let you get the best of me, best of me

Never really wanted to be with you
Said, I'm just tryna be honest
I didn't even care for the things that you do
Said, I'm just tryna be honest

I never really wanted to give my love away
Just tryna be honestly
You and I can never be
So I'ma have to love and leave

Don't you take it personal so baby
Mr. Messed Up I should have known ya
Yes, you guessed it too bad it's over
Don't you take it personal so baby
I said Mr. Messed Up I should have known ya
Yes, you guessed it too bad it's over

Wasn't it the same thing last night?
Tryna leave a little something on my mind
One weekend undercover under moon and stars
You killin' me, killin' with it from here to Mars

Funny as it seems I had a ball with you
Wanted to eventually be all with you
I'm caught up in the middle of the desert sea
Still I let you get the best of me, best of me

I never really wanted to be with you
Said, I'm just trynna be honest

I didn't even care for the things that you do
I'm just tryna be honest

I never really wanted to give my love away
Just tryna be honestly
You and I can never be
So I'ma have to love and leave

Don't you take it personal so baby
Mr. Messed Up I should have known ya
Yes, you guessed it too bad it's over
Don't you take it personal so baby
Mr. Messed Up I should have known ya
Yes you guessed it too bad it's over

Don't you take it personal so baby
Mr. Messed Up I should have known ya
Yes, you guessed it oh la it's over
Don't you take it personal so baby
Mr. Messed Up I should have known ya
Yes, you guessed it oh la it's over

I rolled the dice, I broke ice with you
True, I felt that I wanted to be known by you
But now I know you, said I'm worried that I'll fall for you
And as I know that yo I'm worried 'bout the things we do

Now, Mr. Messed Up, I've been here before
With another brother, that I would have died for
And as you see we're not together anymore
It's gonna be the end, it's my call, take it personal

Take it personal so baby
Mr. Messed Up I should have known ya
Yes, you guessed it oh la it's over
Don't you take it personal so baby
Mr. Messed Up I should have known ya
Yes, you guessed it oh la it's over

Oh la la, oh la la, oh la la
Mr. Messed Up I should have known ya
Yes, you guessed it oh la it's over
Oh la la, oh la la, oh la la, oh la la
La la, la la, la la, la la
