Verse 3:

You know I liked him so much it turned into loving,
Then the love back to like now I feel like I birthed him,
Or nursed him and named him Æso full of
potentialÆ,
He stands tall,
I feel his internal.
Fine like the earth (earth) and the sea (sea) and the sky
(sky),
Together we make stars,
We are truly fly,
I wanna paint him,
Take a picture of his soul,
This story should be told.
See heÆ™s like everything I dreamed of,
But better than the preview,
Now everything heÆ™s working on,
Has got me saying me to.
Like heÆ™s food and I needÆ!
Blood Æ~ cause he bleed.
He real Æ~ cause I seeÆ!
ItÆ™s all meant to be,
Remember how to make believe.
Yo, these brothers arenÆ™t your enemy,
YouÆ™re in a state of disbelief,
Without youÆ™re heart youÆ™ll never be,
So sistahs sing along with me Æ~ cause
youÆ™re love is true.
