Yeah, this is a message from the mother  
Let's go girl, she told me to tell my brother she  
loves ya  
And I do too, yes yes  
'Cause you're my supastar, you are

It's a pretty day, let's go outside and  
enjoy it  
If you got something else in mind, then I'm all  
for it  
I will take the chance, I will take your hand  
Then we'll go there, go there

Love isn't something that you earn, it's  
deserved  
Love is something I can give  
'Cause I'm worth it, you amaze me  
I am taken in, you're so lovely  
(I can)

I can see you  
(I can see you, baby)  
Tell me what you wanna do  
(What you wanna do)  
I know who you are  
You're my supastar  
(Supastar)

I can see you  
(See you)  
Tell me what you wanna do  
(Wanna do)  
I know who you are  
You're my supastar

My man said heaven is a day away  
If in the present, you loving in a braver way  
I wear the aura of a king and dream of a love supreme  
As a child I was told that my love is king

Seeing what it can bring to the lives of those  
That ain't afraid to give with their souls

exposed  
Golden rose, you color my reality with balladry  
Allowing me to, me to love like a child thatÃ¢â€Œ™ s  
free  
IÃ¢â€Œ™ m proud to be your supastar

My love is honest and true and I can prove it, babe  
My love is everything to you if you choose it, babe  
YouÃ¢â€Œ™ re amazing, IÃ¢â€Œ™ m so taken in  
YouÃ¢â€Œ™ re so lovely, I can

I can see you  
(See you)  
Tell me what you wanna do  
(Wanna do)  
I know who you are  
YouÃ¢â€Œ™ re my supastar

I can see you  
(See you)  
Tell me what you wanna do  
(Wanna do)  
I know who you are  
YouÃ¢â€Œ™ re my supastar

You know I liked him so much that it turned into loving  
Then the love back to like now I feel like IÃ¢â€Œ™ m  
bursting  
More nurse than my name Ã¢â€Œ™ em so full of  
potential  
He stands tall, I feel it's internal

Fine like the earth and the sea and the sky  
Together we make stars, we are truly fly  
I wanna paint him, take a picture of his soul  
His story should be told

See heÃ¢â€Œ™ s like everything I dreamed of but  
better than the preview  
Now everything he's working on has got me saying me  
too  
Like the food that I need, blood 'cause he bleed  
He real 'cause I see, itÃ¢â€Œ™ s all meant to be

Remember how to make believe  
Yo these brothers are your enemy  
YouÃ¢â€Œ™ re in a state of disbelief  
Without your heart youÃ¢â€Œ™ ll never be  
So sisterÃ¢â€Œ™ s sing along with me  
Because your love is true

I can see you  
(See you)  
Tell me what you wanna do  
(Wanna do)  
I know who you are  
You're my supastar

I can see you  
(See you)  
Tell me what you wanna do  
(Wanna do)  
I know who you are  
You're my supastar

My love is honest, is true and I can prove it, babe  
(Prove it, babe, I can prove my love to you)  
My love is honest and true and I can prove it babe  
(Ooh, ooh, I can prove my love, yeah hey)
