"The Worst Day Since Yesterday"

Well I know, I miss more than hit
With a face that was launched to sink
An' I seldom feel, the bright relief
It's been the worst day since yesterday.

If there's one thing I have said
Is that the dreams I once had, now lay in bed
As the four winds blow, my wits through the door
It's been the worst day since yesterday.

Fallin' down to you sweet ground
Where the flowers they bloom
Well it's there I'll be found
Hurry back to me, my wild calling
It's been the worst day since yesterday.

Though these wounds have seen no wars
Except for the scars I have ignored
And this endless crutch, well it's never enough
It's been the worst day since yesterday.

Hell says hello, well it's time to I should go
To pastures green, that I've yet to see
Hurry back to me, my wild calling
It's been the worst day since yesterday.
It's been the worst day since yesterday.
It's been the worst day since yesterday.
